International Supper Next Saturday 8th February

All proceeds will go to The Friary

7.30pm- 10.30pm

Everyone is invited to the Parish International Supper on Saturday 8th February, we would like you to bring your special dishes to this event and your family.

Like every Parish event, we urgently need helpers to set up on the evening, setting up tables, Chafing sets for heating food, collecting dishes, and to help clear up. If your New Year's Resolution is to help people, then please consider helping us with this. There is a Helpers list at the back of church. Many hands make light work!

There is also a list for dishes that will be donated as well. Please show your support. Thank you.

This is a Live Simply Event too, so if we could ask you to bring your own plates and cutlery, and serving spoons for your dishes (please label your dish and serving spoon).

If you are bringing a hot dish, if we could please ask you to bring something to keep it warm, as we do not have enough food chafing sets, preferably not an electric food warmer.

We also need Raffle prizes as well, please donate any items to the Parish Sacristy or the office.

Thank you.

Climate Change and Green Hearts

In February hundreds of thousands of people from all over the country will join the UK's biggest conversation about climate change, as together we become a voice for change that is impossible to ignore. We know that a cleaner, greener future where the things we love are protected from climate change is within reach, but we need to see action today. Green hearts will be popping up all over the country with events in schools, village halls, libraries, town centres and even football stadiums and in our parish. There's never been a more important time to show the love for a future where the life we love is safe from the impacts of climate change.

So how will you **#ShowTheLove?**
