## Masses at The Holy Spirit– Update

We still have Covid restrictions in place. However, we have increased our capacity at weekend Masses to 150 Seats with one metre social distancing in place. Face coverings are strongly advised and you must remain seated throughout Mass.

We still have the booking system in place for 50 seats only for those who wish to book their pew or seats at the weekend Masses at 6.30pm and 10.30am. Please see the Diocesan website to book.

<https://massbooking.uk/users/register.php>

100 Seats will be available for people who just want to turn up at these weekend Masses.

**The 9am Mass will return on Sunday 14th November, you do not need to book for this Mass, but just turn up**

However, we kindly ask you use the NHS App and scan your phone on the QR code in church or confirm to a Steward your attendance by giving your name and contact number.

We have public weekday Masses you can just turn up to as well, and the church is open for private prayer during the day, in the Our Lady's Chapel area.

You must sanitize your hands before entering church and we strongly advise a face covering.

Masses will be streamed online at the Holy Spirit.

### Thank you

Thank you very much for your donations to World Mission Sunday last week. Your prayers and contributions will help missionaries work alongside communities throughout the world that are poor or in need, regardless of their background or belief. Please pray for the work of Missio and all those working to offer the love of Jesus, that we may remain strong in our witness to Christ's love for all peoples.

To continue supporting mission throughout the year, please go to [missio.org.uk](http://missio.org.uk) or call **020 7821 9755** (office hours).

### Help for Refugees and Asylum Seekers in Nottingham

Desperately needed are Men's clothes SIZE SMALL/MEDIUM (particularly trousers, as tops that are a bit too big can be used, but small trousers - 30", 32" waist, are in particularly short supply). We are heading into some cold weather so thermal vests or other warm tops, thick socks and waterproof coats are going to be needed as well as the usual tee-shirts, jumpers and hoodies.

Trainers - sizes 40,41,42,43 are the most common.

Other items that are asked for include backpacks, safety razors and shaving cream (people are supplied with soap and shampoo), nail clippers and wide-toothed combs/afro combs. Also, things to pass the time so dominoes, playing cards etc.

Women's clothes and toiletries are also needed too.

If you can help please drop any donations off at my house - 2 Trevor Road, West Bridgford or call me on **07914787030** and I will be happy to collect.

If you want more information about the work being done with refugees you can go to the Care4Calais website:

<https://care4calais.org/>

or the refugee forum website:

<http://www.nottsrefugeeforum.org.uk/>

Thank you, Liz Bonner

### Request for Spanish Books:

If any of our Spanish speaking parishioners (or non-parishioners) have any books written in Spanish fiction or non-fiction, but not dictionaries or 'how to speak Spanish' books, that can be passed onto me for the Rural Libraries of Cajamarca, Peru, I should be very grateful. This is a library that gets books to the remotest areas of the Andes and celebrates its fiftieth anniversary this year. Thank you, Kathy Doust.

On 6 November 2021, as world leaders meet in Glasgow for the COP26 Global Climate Summit, towns and cities across the world will take to the streets demanding global climate justice. Nottingham will be having its only rally.

**Meet at the Forest Recreation Ground at 1pm,  
marching down Mansfield Road at 2pm  
and rallying in the Market Square at 3pm.**

We are living through a period of multiple breaking points from climate to covid to racism. We know that these crises not only overlap, but share the same cause. While no one can escape the impacts of these crises, those who have done least to cause them suffer the most. Across the world, the poorest people and their communities are too often those bearing the brunt of the climate crisis. From coastal villages in Norfolk whose sea-defences are eroding faster than ever, to people living by the Niger Delta rivers blackened by oil spillage.
